To Whom It May Concern:

As President-Elect of the Osterville Rotary in Osterville, MA on Cape Cod, I am delighted to recommend Michael Utley's "Stuck by Lightning" program. We had the pleasure of listening to Mr. Utley's compelling presentation on the dangers of lightning this past summer. As one might expect, his message is unforgettable, and the take away value of the presentation clear. In fact, our Rotary members commented that "it was one of the best presentations that they had ever heard." My sense is that young people, especially, would benefit greatly from Mr. Utley's message.

Please feel free to contact me if you would like further feedback about this valuable and profound program.

Sincerely,
